Operation

Copies of the foregoing published art are included.

No representation of materiality as to the foregoing  
published art is made. The Examiner is respectfully requested to  
consider the foregoing published art and make his own  
consideration of materiality.

In citing the above published art, no representation is made  
or intended that a search has been made or that better art than  
that listed is not available or that other art is not applicable.  
The above published art is the closest art of which applicant's  
attorney was aware at the time of preparing this application.

Respectfully submitted,

Frank C. Leach, Jr.
